

# Classic New Zealand Wine Trail

An indulgent self-drive journey

## Marlborough winery suggestions...

### Allan Scott Family Winemakers

The wines are made on site from grapes grown on the surrounding estate vineyards. Lunch at Twelve Trees Restaurant encompasses great food and a relaxing atmosphere. Visitors can explore the gardens with their fountains or taste Allan Scott's wines in the cellar door.

### Montana Brancott Winery Visitor Centre

Winery tours give visitors the opportunity to see the first Coquard champagne press in the southern hemisphere and the revolutionary grape tipper tanks, the first of their kind in the world. The restaurant team uses predominantly Marlborough produce to create stunning cuisine, designed to complement Montana's wines.

### Seresin Estate

Seresin Estate is a certified organic 45 hectare vineyard. Olive groves, orchards, and vegetable gardens are an important part of the vineyard and add to the diversity of the Estate. The Seresin wines are hand-picked and hand-made exclusively from fruit from the organic and biodynamic estate vineyards. Taste the wines and extra virgin olive oils at the cellar door. Tours of the Estate by prior arrangement.

### Wither Hills Cellar Door & Restaurant

After tasting the range of Wither Hills wines, enjoy casual dining in the restaurant or lawn area, complete with beanbags and umbrellas in summer or the blazing open fire during the winter months. And for an educational experience, learn about most commercially planted wine grape varieties (and taste the grapes!) in the unique vine library.
